A proposed policy or policy change shall be submitted to the Board as part of the agenda. Any interested party shall be given an opportunity to be heard on the proposal. The Board's approval of the proposal or return for study and/or further revision shall constitute the first reading.

The proposed policy or policy amendment shall be considered at the next board meeting with the final vote following the second reading. Adoption shall require an affirmative vote by a majority of the members of the Board and each vote will contain a future date for reporting the effectiveness of the policy.

Policies and amendments adopted by the Board shall be made a part of the minutes and shall be placed in the policy manual. Policies and amendments shall be effective immediately upon adoption unless a specific effective date is provided, and shall supersede any previous Board action on the subject.

POLICY MAINTENANCE

The director of schools shall be responsible for drafting policy proposals, maintaining the Board Policy Manual and serving as liaison between the Board and the Tennessee School Boards Association. At least annually, the board shall review its policy manual for the purpose of passing, revising or deleting policies mandated by changing conditions.¹ In order that the policy manual remain current, the Board may contract annually for TSBA's policy Maintenance service.

Policies shall be assessable to all employees of the school system, members of the Board, and citizens of the community.¹

EMERGENCY PROCEDURES

On matters of unusual urgency, by an affirmative vote by a majority of the members of the Board, the Board may waive the second reading limitation and take immediate action to adopt new or revised policies.

SUSPENSION OF POLICIES

Any board policy or part thereof may be suspended by an affirmative vote by a majority of members of the Board.

ADMINISTRATION IN POLICY ABSENCE
