Rescind Date: 07/26/99
Review Month: September/October

The Board, in consultation with the Director of Schools, building principals, and program directors (both regular and federal), shall practice sound fiscal management procedures which guarantee maximum use of all resources provided. The Board assumes responsibility, within its financial capabilities, for providing at public expense all items of equipment, supplies and services that may be required in the interest of education in the schools under its jurisdiction.¹

In fiscal management, the Board seeks to achieve the following goals:

- To engage in advance planning, with broad-based staff and community involvement;
- To establish levels of funding which will provide quality education for the system's students;
- To use the available techniques for budget development and management;
- To provide timely and appropriate information to all staff with fiscal management responsibilities; and

- To establish efficient procedures for accounting, reporting, purchasing and delivery, payroll, payment of vendors and contractors, and all other areas of fiscal management.
